

Five Nations Energy Inc. is seeking a President to sit on our Board of Directors.

Note: This is not an employment position.

Five Nations Energy Inc. (FNEI) is one of Ontario's licensed electricity transmitters, and operates a high voltage transmission line from Moosonee to the Community of Attawapiskat along the western shores of James Bay.

FNEI is a nonprofit corporation whose objects are to promote the social, economic, civil welfare and development, of Attawapiskat, Fort Albany, and Kashechewan, First Nations.

The President (Chair) carries out his/her duties on behalf of the Board of Directors.

Qualifications:

- Leadership qualities
- Experience with the electricity industry
- Experience in public relations
- Knowledge of the Mushkegowuk Communities
- Ability to speak Cree an asset

If interested, please forward your resume with cover letter **by 12 noon on May 24/19.** outlining your qualifications and experience to:

Mr. Pat Chilton

Chief Executive Officer
