

Five Nations Energy Inc

Notice of project:

Access to right of way for brushing transmission line sections.

FNEI requesting Attawapiskat community *contractors* to build **access winter roads** to the following transmission line sections:

Pole#: 1413- #1424

GPS Coordinates: 52°53'16.9452847"N 82°16'15.1615016"W -
52°53'22.4821008"N 82°18'00.8723599"W,

Google map will accept this format.

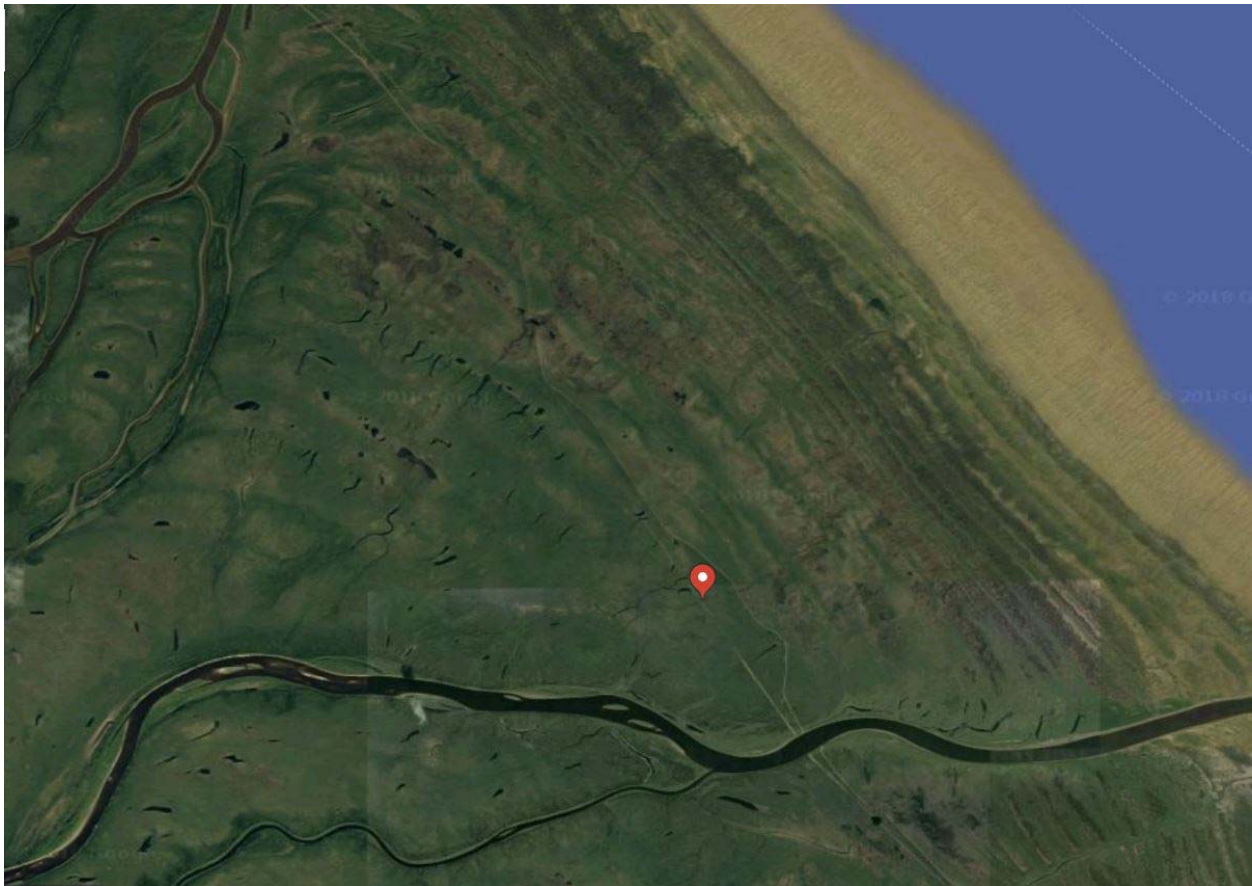

Access road should support pickup truck with the 20,000lb trailer and D3 Dozer (about 32,000 lb).

Pole#: 1310 - #1375

GPS Coordinates: 52°47'13.2581294"N

82°04'36.6903254"W,

Before starting work the successful contractor will need to have the routes coordinated with the Attawapiskat Power Corporation designated person who is familiar with the project from previous 2018 season.

Site visits can be done prior to winter road construction by snow machine. Access roads have to be completed by January 21, 2019.

FNEI looking to hire an operator with a “Sno-Cat” that is equipped with a plow for the period January 21 to February 28, 2019.
